About AD'OCC

“CES Bound: Shaping Tomorrow with Today's Innovations.” According to AD'OCC

AD'OCC started exhibiting at CES in 2015, marking the beginning of a vibrant relationship with this iconic event. The agency's goal has been to foster the growth of enterprises: **185+ Occitan's Exhibitors since 2015 and 90 visitors; 88% of startups supported by AD'OCC are still thriving in 2023; 14 awards, including 3 "best of innovation"**. The Occitanie region is the only region of France locally represented in the North America with **an office located in Manhattan**, New York illustrating the will of the globalization of the region.
